SIGNALS Network

The goal of SIGNALS is to create networking and information-sharing opportunities for members, and to facilitate initiatives aimed at furthering sustainable development. SIGNALS networking can provide excellent opportunities for students to make employment contacts, and for graduates to meet other like-minded professionals.

Tickets will **NOT** be available for purchase at the door

KEYNOTE SPEAKER

JULIE GELFAND

Julie Gelfand was appointed as Commissioner of the Environment and Sustainable Development, from the Office of the Auditor General of Canada, in March 2014.

The Commissioner of the Environment and Sustainable Development is appointed by the Auditor General of Canada for a seven-year term.

On behalf of the Auditor General, the Commissioner provides parliamentarians with objective, independent analysis and recommendations on the federal government's efforts to protect the environment and foster sustainable development.

Before joining the Office of the Auditor General, Ms. Gelfand held the positions of Chief Advisor at Rio Tinto Canada and of Vice-President of Environment and Social Responsibility at the Rio Tinto Iron Ore Company of Canada (IOC).

Prior to joining IOC, Ms. Gelfand was Vice-President, Sustainable Development at the Mining Association of Canada and co-chair of the Corporate Social Responsibility (CSR) Centre of Excellence, under the federal CSR Strategy for the Canadian International Extractive Sector. From 1992 to 2008, she served as President of Nature Canada. She also founded and chaired the Green Budget Coalition.
